C. City Transport - Intercity transport

Bus and Mettis network in the city and the Metz urban area

People with reduced mobility can use certain bus lines.

Buses equipped with an access ramp for people in wheelchairs are marked with a pictogram.

A push button located at the middle door lets the bus driver know that he must deploy the access ramp.

Inside, a "stop requested" button, located at the reserved space, lets the driver know that he must deploy the ramp at the next stop.

Buses can only accommodate one wheelchair user at a time.

Please consult the timetable of the line on the Internet. Accessible stops are identified by a pictogram .
